

MINUTES OF MEETING

Date	:	27.11.2025
Place	:	Tekirdağ Namık Kemal University
Participants	:	NKU ECC IMB
Subject	:	Inter-partnership Project Coordination Meeting – 15
		<p>1. Mr. Ali stated that the consolidated report should be delivered the next day, and 75% of the budget should be spent by the time the report is submitted at the end of December.</p> <p>2. Mr. Ali emphasized that training videos should be translated into partner countries' languages and made available quickly, making them accessible to teachers and students in schools.</p> <p>3. Mr. Ali stated that face-to-face training for public officials, similar to his own, should continue, and that training outcomes should be shared at international meetings.</p> <p>4. Mr. Şevki Danacıoğlu, PhD, explained that the seagrass package is being developed, and that data mapping and scenarios are available for all countries.</p> <p>5. Mr. Şevki Danacıoğlu, PhD, introduced an online platform for seagrass mapping, urging each country to support its own integration and verification.</p> <p>6. Mr. Ali ensured that existing registered projects can be integrated into existing projects in collaboration with external institutions (universities, previous projects, groups conducting sonar research). 7. It was reminded that the EU does not take into account target selection such as teacher-student access rights, public education and institutions using the program system in the evaluation.</p>

A screenshot of a video conference session. The main window displays the 'BlueC Seagrass Mapping Platform' web application. The application interface includes a map of the Black Sea region, a sidebar with 'Add Seagrass Area*' and 'Upload Shapefile/KML' sections, and a 'BlueC Project Seagrass Public Map V1.0' overlay. The sidebar shows a search bar, a map preview, and a 'Submit' button. The 'Upload Shapefile/KML' section has a file upload area and a 'Submit' button. The map shows the Black Sea with various coastal features and labels for countries like Romania, Bulgaria, and Georgia. The video conference interface shows multiple participants in a grid layout. The participants are: Şevki Danacıoğlu, Ali Sirmioğlu, Lokman Hakan Tecer, jana ivanova, MERVE FIÇICI, Teodora Bzovii, and Zeynep Ersöz. The bottom of the screen shows the Windows taskbar with various application icons and the system clock indicating 18:00 on 27.11.2025.
