

MINUTES OF MEETING

Date	:	28.11.2024
Place	:	Tekirdağ Namık Kemal University
Participants	:	NKU IMB ECCC BRTA
Subject	:	Inter-partnership Project Coordination Meeting – 3
		<ol style="list-style-type: none">1. The marine litter monitoring methodology was explained again by Project coordinator Prof. Dr. Lokman Hakan TECER. Project partners were asked to "determine a reference coast according to the OSPAR methodology" as soon as possible and "send these coast coordinates to the NKU project coordinator via e-mail."2. LP Marine Coordinator Dr. Şevki Danacıoğlu provided information again about the creation of survey questions regarding the inclusion of seagrass areas in the EIA process. He reminded that the partners were asked for their opinions and asked them to express their opinions on the survey questions via e-mail.3. Project coordinator Prof. Dr. Lokman Hakan TECER provided information about the preparation of the project poster and e-bulletin. He stated that the prepared e-bulletin and posters would be sent to the project partners via e-mail as soon as possible. He informed that the printing and publishing processes would be carried out after the project partners completed the translation of the e-bulletin and posters into their local languages.
