

MINUTES OF MEETING

Date	:	29.05.2025
Place	:	Tekirdağ Namık Kemal University
Participants	:	NKU IMB ECCC BRTA
Subject	:	Inter-partnership Project Coordination Meeting – 9
		1. It was asked in what scope and to whom the trainings will be given. It was said that trainings will be given for the evaluation of sea meadows within the scope of EIA. It was said that it will be given face to face to the target groups. It was said that these trainings should be given before my country visits. It was said that these trainings should be given and discussed before the Moldova conference. Similarly, it was said that it should be given before the Ukraine and Turkey meetings. 2. Online trainings will be given to tourism, marine tourism students and sectors related to activities that harm sea meadows. 3. Questions about the survey will be answered by e-mail. 4. The status of sea meadows will be determined with satellite images and future sea meadow statuses will be modeled. Scenarios will be created. Modeling will be done with the data of satellite images. 5. Online and offline trainings, training videos; we need image and text content for this. The Ukrainian team sent these contents. 6. It was suggested that they visit and review the ZEWGEST website. Similar content will be prepared. It was stated that they will see a nice sample study. Educational content will be prepared in every language. 7. It was stated that the survey should be started as soon as possible. For this, a service procurement through tender is required. The Turkish team did this.

		8. Liza: In what format do you want the results? Şevki: We want them in the answer form we sent you. We will analyze the results. In short, we want them in the excel format we sent you. 9. After the survey, a guide will be prepared for the inclusion of seagrasses in the CED process. This guide will be submitted to the national authority. 10. As NKU, we expect the 2nd interim report from all partners.
